Cover Girl

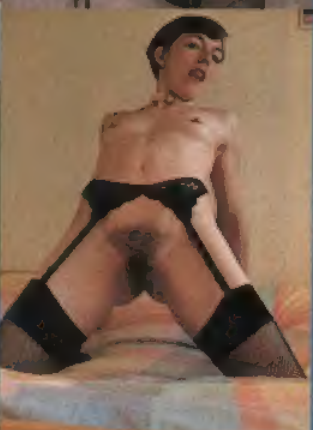

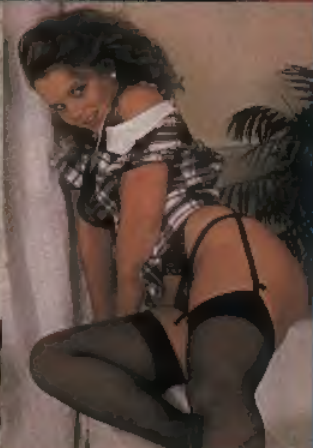

Our covergirl is Suzi who is farm fresh from Staffs. She says she likes men to be "quiet and comfortable - I don't like flashy men covered in aftershave." Whereat several male personnel whiz off to the gents to scrub themselves off and find some hay for a cushion - a commodity not readily available in Soho. Suzi is 41-27-38 and 20.

Envy, envy

Since moving from Dudley, West Midlands to California, I've missed my English women, but the weather here brings out some hot ladies, and I can still buy *Escort*.

Enclosed are some photos I took of my friend, Arlana who is 20 years old and has got a 36c-26-37 figure, and is 5'9" tall. Sorry some of the pics are a bit shadowy, but I suspect even the best professional photographers have a hard time in the California sun, and a relative amateur like me has no chance.

Arlana's home town is Santa Cruz on the Pacific coast, about seventy miles south of San Francisco and home of surfing and nude sunbathing. Perhaps you'd like a beach sequence of Arlana sometime. Arlana likes good food, big fast sportscars, driving, rock music, and of course all kinds of sex. I must admit, when we are driving along the freeway at night after a good meal, she can't keep her mouth off my cock, but I haven't been picked up for speeding yet! *F., U.S.A.*

Hot P., Hants.

I would love you to consider my pics for your letters section, as my husband is going away to work for three months, and it would be such a surprise for him when he sees me on your pages, as I've always been reluctant to let him send some in.

We have been reading *Escort* for a number of years now, and enjoy it very much. My husband is always getting ideas from other readers' letters of what they get up to.

I'm sorry I'm a bit shy, but with encouragement I might be able to pick up the courage and show all next time.

I would love to give my husband a good suck and tease him until he can't stand it any more, and pulls off my panties and slowly pushes his prick into my fanny until we both come together. He would like to watch me with two other fellas and when he mentions it to me, it always gets me going.

We would both like to have photos taken while we are in action, but my husband says that it would have to be a female taking the photos, as my husband says he would be able to perform better.

Thanks for a great mag. P., Hants.

Viz Liz

The photo's of Liz of Hants in *Escort* vol. 7 no. 13 and vol. 8 no. 4 were a terrific turn-on for my husband, Iain and me. We looked at her photos together and told each other just what we would like to do to her as we wanked each other off.

Liz's poses in her 'schoolgirl' outfit got Iain going so much that I secretly prepared an outfit of my own as a surprise birthday treat for him. On the afternoon of his birthday, I put on my uniform of white blouse, black pleated short skirt, striped tie, white cotton knickers, narrow black suspenders, black seamed stockings and black high-heeled shoes. I added lots of red lipstick and mascara, and had a large drink for courage.

As soon as I heard the car

I bent over so I knew my stocking tops and a glimpse of my knickers were on show from behind. When Iain came in I called him upstairs to the bedroom. I could see his reaction in the mirror. His face was a picture. Feeling deliciously like a wanton trollop, I parted my feet further, and tugged up my skirt to show off my bum. I watched him strip naked in the mirror, his gorgeous cock was already starting to rear up to attention as he approached. I just stayed in position as he ran his hands all over my thighs and bum, then started to stroke and rub my hot crack through the knickers. He then reached round for my tits, squeezing and pulling at my stiff nipples through my blouse, then almost tearing it open to tug them out and play with them. I felt his hard hot cock poke and probe at my soaking cunt through my knickers. I told him that he could do what he said he would love to do to Liz. He went down on his knees and kissed and licked every inch of exposed thigh. I told him to get on the bed as I was going to fuck him. I kicked off my knickers and took off my blouse and skirt, so that I was left with my shoes, stockings and suspenders on. I knelt between his thighs, took hold of his cock in one hand and cupped his balls in the other, then went down to lick first his knob all over and then up and down the length of his shaft. Next I popped the knob in my mouth and tongued it until I felt the sap start to rise from his balls. I then got up and straddled him. I manoeuvred his knob into my streaming love hole, then started to ride, sliding up and down his pole with long strokes before coming down to settle with his whole length up inside me, and my bum on his balls. I then ground on him in a circular hip motion as I frigged my clitty at the same time. Reaching up he pulled and squeezed my nipples and I came in a fantastic climax. With a few more movements up and down, Iain came too, pumping his spunk into me until it ran out.

Iain said it was one of our best-ever fucks in over twenty years, and I agree. After a shower and our birthday meal, I put my outfit

back on with fresh stockings and suspenders, and after a few drinks I actually asked 'the teacher', if he would spank me. He asked me what I had done to deserve it, and so I showed him. I got down and sucked his cock to bursting point. We fucked and wanked each other until the early hours and then again the next morning, largely thanks to Liz! K., Derbyshire.

Tipsy

I have enclosed a few photos that my husband took of me when I came home a bit tipsy one night. It will be a nice surprise for him to see them in your mag, as I know that he always reads it, and loves looking at all the lovely women who appear in it.

My favourite sexual fantasy is to be fucked by two men at the same time. I also like the thought of all you readers looking and wanting my body. I love flashing and I would love to know the 'hows and wheres', and the best way to make it look like an accident! C., Kent.

Treat Her Like A Lady
Just goes to show that there still are some gentlemen left. I mean these girls have

got legs as well as everything else and can perfectly well climb over a gate or out of the back of a truck themselves – in fact I expect they have had occasion to do this before – but these men are devoting their time and enrgy to 'helping' these ladies down selflessly expecting nothing in return save possibly a slip disc – rah for the men of Stafford. Please find enclosed some more pics of my girlfriend Michelle. You published two in your February issue and

we both found that a great turn on

The latest thing I have been getting Michelle to do is to suck me off on the last bus home at night (she does this at the back of the bus) On another occasion she sucked me off on the coach coming back from Blackpool, while a guy was asleep in the other corner

Michelle's favourite fantasy is to have her bum kissed and licked by the local football team. Then she would like to be taken into the showers and soaked all over

Then the whole team would make her touch her toes, and they would take turns giving her a good fucking

Fare home

I thought you may like to know of an encounter I had whilst out shopping in a town nearby. I was going about my business when a young man approached me. He asked me if I appeared in *Escort* and I told him that I had several times. He was most delighted and said that he liked the outdoor poses. He asked me if I had finished my business, and if I would care for a lift home. Not having the car and not really fancying the train, I thought why not? We walked to a multi-storey car park, he was walking behind me as we climbed the stairs, and I could feel him watching my legs. I was wearing a red leather mini skirt and I am sure that he had a good eyeful of my white panties.

It was a beautiful warm afternoon. Whilst driving along he slowly moved his hand towards my legs, and stroking them, he asked if there would be any repayment for taking me home. I thought "he doesn't hang about", and I told him that there was a wood along the road. By the time we got there we were both very excited. He pulled up along a quiet roadway. I asked him where he wanted me, and he pointed to the bonnet of the car. A few seconds later I was bent over the bonnet, skirt up, pants down. He dropped his trousers, his cock was beautiful, really meaty and juicy. I was soaking wet as he guided his tool into me. I have a lovely tight pussy, and I knew it was hurting him. He thrust away at me, my legs

parted as far as they would go. I cried out that he was fantastic. He shot his load and I thought that he would never stop. He left, but not before telling me that I had made his day, and maybe his year! S., Yorks

In 21 years **Dateline** introductions have been the start of many, many thousands of Love Stories...

If you would like a 'love story' of your own, a compatible partner to love and care for, and you are starting to wonder where you can find that special person, come to Dateline.

Many tens of thousands of people of all ages and occupations, from all over the country, join Dateline every year looking for someone to love. They want to meet someone with the same hopes, ambitions and interests as themselves, and are simply not meeting them socially or at work. Dateline, the largest, longest established, and most successful computer dating agency in the world, opens up a whole new circle of compatible people; people who could be living very close to you, but who, without Dateline, you might never meet.

"I didn't believe in love"

Separated, with a two year old son, at 22, Helen wanted to broaden her horizons, and to assuage any fears about using a dating agency, chose the biggest and longest standing, Dateline. Peter, a 25 year old legal executive, was a member of Rotoract and had a busy social life, but nothing resulted in him meeting a girl he found interesting in a romantic sense. Ultimately he decided to give Dateline a chance. Peter was 'wowed' by the attractive brunette who answered the door when he arrived to meet Helen, and she was equally overwhelmed. "I hadn't thought of love at first sight. It unnerved me a little bit," says Peter. They saw each other as often as possible and 'now see marriage in the fairly foreseeable future'. "I didn't believe in love" laughs Helen "but I have all the classic symptoms. I can't believe my good fortune."

You can find love

Both Rita and John led full lives with many friends, but when John was introduced to Rita through Dateline he thought, 'At last, there is someone I really want!'

'I don't think the word 'lesbian' even entered my mind at the time,' Sheila says 'I suppose I was fairly experienced with men – or maybe it should be boys – for my age, but I was still only nineteen and the thing with Christine just seemed to develop naturally. I didn't really think about it, and I'm sure she didn't either. We'd been friends since school, and we shared all our secrets – including the sexy ones naturally. Although we both still lived with our parents, she had what amounted to a bedster at the top of the house, and if some of our boyfriends could have been flies on the wall of that room they would have died of embarrassment!'

We didn't just compare notes about the size of boys' equipment or how long they lasted, of course – and we didn't suddenly jump into bed with each other because we were fed up with 'straight' sex. What happened was that we both went through a bad patch – I got the heave-ho from someone I'd been a bit serious about, and Chris had done a bunk from her bloke.

'The night I got the elbow, I went round to her place for sympathy. Her parents were away for the weekend and we started drowning our sorrows with a bottle of wine in the living room. I think it was me who started snivelling first. Then she was away too and we were sitting on the sofa crying on each other's shoulders. Somehow we ended up kissing each other. It was an innocent peck at first, and I don't know quite how it went further – it just did that's all. Before we knew it, we were... well, the only word I can think of is 'snogging'!

'Her tongue began to flick at my lips and I opened my mouth and let her French-kiss me properly. Then I did the same to her. It was strange really. Neither of us had ever kissed another female before – at least, not like that – but I obviously wasn't the only one who found the smell of perfume and the taste of lipstick exciting. I could feel her breasts all soft and warm against mine and I got the sudden urge to put my hand on one of them. She sighed and put her own hand up – not to touch mine in return, but to put my fingertips on her nipple. I could feel it hardening even through her jumper and bra, and I sort of twiddled it curiously.

'She gasped and felt for one of my own nipples and I shivered when she found it. For a few minutes we stayed like that, just panting against each other while we stroked each other's breasts. Then her other hand fell into my lap. I could feel a fingernail gently

scratching my thigh through my skirt and I slipped my own hand down and did the same to her. She was wearing really tight jeans, and without intending to, I touched her much more intimately – my hand went right between her legs, only a couple of inches below her pussy.

She gently squeezed her thighs together on it, then let them fall apart again, and I realised she was inviting me to get even more intimate! I don't know whether that was a conscious gesture or not, and the same applies to the fact that her own fingernail was now carefully tracing the line of my stocking-top. I didn't even think about it. I could feel the heat in my pussy and that seemed to be all that mattered.

She was pressing her hand down into my groin, but if I parted my legs my

GIRLS AT PLAY

skirt tightened and pushed it away! I was beginning to wriggle in frustration but that seemed to be as far as we were going. It looked as if the whole thing might peter out, and maybe it would have but for an accident. Chris's jeans were an old pair she only wore indoors, and their zip was broken. She'd replaced it with some of those popper studs, and as she shifted her bottom into a more comfortable position they lived up to their name.

There were a couple of little pops and I could feel smooth nylon, slightly springy to the touch. I found myself tickling her pubic hair through her

panties, and as I felt around, my fingertip dipped slightly into the beginning of her cleft. She must have been thinking about putting her hand under my skirt in any case, and she shuddered and did it suddenly all in a rush and all the way up! I shuddered too, even though she hadn't quite reached my pussy, and we both sort of froze and sat there perfectly still apart from our trembling.

It was one of those moments when actions speak louder than words – especially when neither of you can think of anything to say. I was gripping her hand between my thighs, well above my stocking-tops, and she couldn't go any further without me doing something positive. The same applied in reverse – I couldn't possibly get my own hand any further down the front of her jeans without her co-operation. But neither of us had the guts to make a definite move.

At last her hand moved. Just a little, almost as if it was accidental. I relaxed my thighs and parted my knees very slightly, and I felt one of her long fingernails touch me right up there at the edge of my panties. It stayed there without moving any more, and there was another pause as if she was waiting for me to do something to show

that it was mutual. As I said, I couldn't put my hand further inside her jeans because they were too tight, so all I could do was probe through her panties with my middle finger.

I found the start of her slit again and managed to ease my fingertip down a little between her lips. She gasped in my ear and dug her fingernails into my shoulder, and I realised what I was touching! She once told me she couldn't reach a climax unless her clitoris was massaged, but when it was she could come off several times. Without meaning to, I'd jumped several stages and gone right to the heart of the matter!

Instead of backing off, I surprised myself by rubbing her quite hard and deliberately, and she gave a little groan and opened her mouth against my neck. I don't know whether it was the wine or old-fashioned curiosity, but I'd somehow put myself in the driving seat! Chris had gone beyond the trembling stage and was very nearly vibrating. She was shoving her pelvis out at my hand, and every now and then her whole body twitched.

I have this awful suspicion there was an element of sadism in what I was doing. I don't think I wanted to hurt her as such, but being in control of what

happened made quite a change and gave me a definite kick. And I was very much in control – she'd entirely given up trying to reach my pussy, and she was just holding onto me while I frigged her. The only contribution she made was to undo the rest of her pop-studs which didn't really help all that much. Her pussy lips had spread, and I no longer had to locate her clit by instinct. I could feel a very definite bump, and I did everything you can do with one finger to it.

'She put her hand down and gripped my wrist, and I thought she was stopping me. But it was only to yank the top of her panties open and shove my hand inside them.

'Her mouth came away from my neck a couple of times long enough for her to choke 'Please' That was all she said, but it was all she needed to. I could see she was close to an orgasm, and I don't have to be told what a girl having her clit rubbed wants at that moment! I did it faster, and her body began to stiffen in expectation. Just at the wrong moment, my hand slipped out of her panties, and she groaned. I couldn't get it back inside them quickly enough, and I finished her off by rubbing her on the outside. She didn't do anything spectacular like throwing herself off the sofa as she climaxed – in fact, she didn't do very much at all, and I wasn't even sure she'd come. She just went a bit stiffer, twitched a couple of times, and sighed in my ear. I really only knew it was over when she put her hand down and stopped me frigging her. I was quite disappointed!

'We were still holding each other tightly, and I could sense that she was embarrassed. There was only one way she could overcome that, of course – by doing to me as I'd done to her. To be honest, I wasn't sure I wanted her to. If she'd just said 'That was nice, fancy a cup of coffee?' I think I would have been quite relieved. I actually said 'no' when her hand started moving between my legs, and she got a bit annoyed. When I said it again, she resorted to brute force!

'I only put up a token struggle – she s

smaller and slimmer than me, and I could easily have stopped her if I wanted to. But a few minutes later she was lying on top of me, and we were kissing and panting in each other's faces again. My skirt was up, and she was between my legs trying to bring her hand into contact with my pussy. If I half-closed my eyes and looked down over her shoulder, I could quite easily imagine I had my legs wrapped around a man! It was a really weird sensation because her jeans had slipped down a little and I could feel her bare nips against my thighs. If she *had* been a man, I would have had at least half a length up me – if I hadn't still had my panties on.

'She asked me if I was going to let her take them off because this was getting ridiculous, and I gave in and nodded. I raised my bottom, and she began to slowly slip them down. By the time they'd tickled and caressed their way to my ankles I was wishing she'd pull them back up and start again!

'I sighed and let her take them off completely, and she gently parted my legs. I could hear her breathing deeply, but nothing seemed to be happening and I opened an eye and peeped. She

She gently squeezed her thighs together on my hand, then let them fall apart again, and I realised she was inviting me to get even more intimate . . .

was just sitting there staring at my pussy! I don't think I've ever felt so self-conscious in my life, and I snapped my legs together hard and told her not to do that. She said she was sorry, but she'd never seen another woman's before. Strangely enough, I *still* hadn't, even though I'd brought her off! What I didn't realise was that I wasn't hiding a great deal from her even then – with my knees raised like that she could see my pussy from underneath.

'I realised it when I felt her fingernails touch my bottom, and I shivered as one of them followed the curve upwards and began to wind itself in my curls. If she'd said anything about how hairy I was I think I would have screamed and called it a day, but she didn't. What she *did* say in a low whisper was that I was very wet! That was perfectly true, and didn't seem like a very good reason for calling a halt, especially when I could feel her finger worming its way into me. That's when I remembered our discussion about clits and telling her I could come without having mine touched!

'My knees slowly fell apart as her finger wriggled, and I began to relax – if that's the right word. Before I closed my eyes completely I saw her staring down at me again, but I was too turned on to care. The only sounds in the room now were our breathing and this soft,

silky whispering as her finger slid in and out of me. But it very quickly wasn't enough – my pussy expanded, and the silky whisper began to sound more like an oozy squelch! The bitch teased me. She knew what I wanted, but she made me ask for it. When I did, she said 'Only two? Why not...?' and I squealed and grabbed her arm as she shoved three fingers up me.

'In a couple of minutes I was jerking my hips out and begging her to do it harder! The funny thing was, my pussy suddenly seemed to feel tighter. It wasn't the start of a climax – I still had a way to go for that and it hadn't tightened in a spasm and then relaxed. It just felt

stretched to its utmost limit, and I actually raised my head and *looked*

I couldn't see a damned thing down there, and Chris smiled at me and held up four fingers of the other hand. I don't exactly have a cavernous pussy, but it was well-primed, and Chris's hands were as slim as the rest of her. It shook me for a moment though, I can tell you. She was really ramming me and making me gasp, and it was the width rather than the length of what was up me – plus a series of little bumps on my clitoris. She had her fingers up me as far as they would go, and what I could feel on my clit was her thumb!

'I went wild. It wasn't just the sensation, but the very idea of what was happening and who was doing it to me. I was screeching at her not to stop, and I could have murdered her when she did precisely that and eased her hand out. She wasn't teasing me now, though – she was taking her jeans and panties off. A few seconds later she was back, sitting astride my leg and working her fingers up me again. And that wasn't all she was doing. She was diddling herself with the middle finger of the other hand and working her pussy against my leg! I was too far gone to reach out and do it for her, but I pushed upwards with my knee, and she gradually slid forward until I could feel her wet lips grinding on my thigh.

'Through a haze, I could see her little pink flaps on either side of my suspender, sliding up and down it and squishing around the clip and my stocking-top. She was riding my leg almost as if she was on a horse, and she had a look of real concentration on her face. She wasn't ramming me quite so energetically because of the position she was in, but it was quite hard enough, thank you! In any case, I was heaving against her hand and meeting it halfway. All in all, we had quite a smooth rhythm going – until she started coming again.

'This time it was more violent, and she left me to my own devices while she diddled hard. I grabbed her wrist desperately and held it still while I jerked at her fingers, but she still made it first. She hunched over me, shuddering and clamping herself around my leg, and she was still jolting when I felt my own first spasm. When it hit me, I was actually shafting myself with her hand, and my pussy contracted so hard it pushed her fingers almost all the way out.

'Naturally enough, we were both pretty embarrassed about it all – especially me. While we sat there avoiding each other's eyes, I realized Chris was staring at her sticky fingers. I mean, I'd got really gooey, and her whole hand was shining with the stuff! The rotten bitch made it worse by having a little lick, and I told her not to be disgusting. She said 'It's quite a good year, and offered me a taste. That sort of broke the ice, and we both started giggling. A few more glasses of wine, and I was agreeing with her that there didn't seem any reason why I shouldn't stay the night. Again, there was no mention of sex at all – at the time, I think I assumed I'd be sleeping in the spare bedroom.

'I didn't, though. She had a shower first, and after I'd had mine and done the usual things I went to her door to say goodnight. She wasn't there, and I found her in her parents' room, in their double bed! She was sitting up with the lower half of her body covered, but I had no doubt at all that she was

completely naked under the bedclothes. For a few moments I just stood there looking at her. We actually had the same measurement, but hers was all up front. Her boobs were sort of melon-shaped with long nipples and tiny blue veins were visible through her pale skin. Mine are almost perfectly round, and even when they're cold or aroused my nipples are nothing to write home about. They're not even especially sensitive, but what you lose on the swings you gain on the roundabouts, don't you? At least I could come without having my clit touched!

'She pushed back the bedclothes next to her, then looked me straight in the eye and said 'Well?' I gulped and dithered for a moment, then I threw off my borrowed dressing gown and jumped in with her. For a while we both just lay motionless with the bedclothes pulled right up, not looking at each other and hardly even touching. Then she said 'Oh, this is silly,' and rolled on top of me.

We didn't even really use our hands for a while – we just wriggled and squeezed our boobs together and rubbed our pussies against each other's thighs. Then she got right be-

I could feel smooth nylon, and found myself tickling her pubic hair through her panties. As I felt around, my fingertip dipped into the beginning of her cleft...

tween my legs and began to work herself against me almost as if she was a man screwing me. Her hand went down to adjust her pussy and stayed there holding it open, and her movements became more frantic. I won't say I wasn't enjoying it, but she seemed to be getting much more out of it than I was. Then I realised what she was doing. I'm not only a lot hairier than her – my bush is much coarser, and she was rubbing her clit against it!

'It was obviously very stimulating, but not enough to bring her off, and she grabbed my hand and put it down between us. She even got hold of my middle finger and put it right on her clit! Then she was away, humping hard, and I was thinking what a selfish cow she was because she wasn't touching me like that at all. She was gradually working her way higher up my body until she was very nearly astride me, crouching over me with her boobs swinging. When she crouched further still, I found myself trying to breathe through a faceful of soft flesh!

I thought it was time to complain, and she sobbed that she'd do anything I wanted her to if only I'd... She couldn't put it into words, but she showed me what she meant by showing her nipple in my mouth. I didn't seem to have much choice, and I got her boob under control with my hand and

squeezed her nipple outwards. Now that I could breathe properly, I didn't mind at all – and as I sucked, she got more frantic and even offered to lick my pussy afterwards if only I wouldn't stop. I wasn't too sure about that, but I carried on anyway. I tried slipping a couple of fingers up her, but she really only wanted her clit rubbed and her boobs sucked, so I did that.

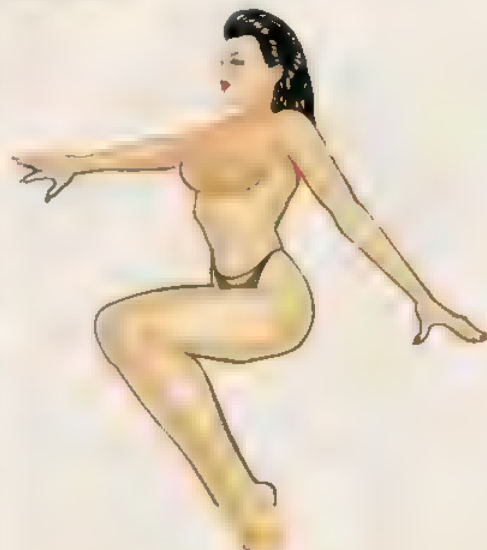

'After she'd come, she seemed to forget the promises she'd made in the heat of the moment and began to work her fingers up me the way she had on the sofa – which I didn't mind at all. But even if what we were doing was supposedly unnatural, there seemed to be a natural position to do it in. Somehow I found myself staring up at her pussy in the cold light of day it probably would have seemed obscene, all pink and shiny and exposed like that. But mine probably looked the same, and her face was a lot nearer to it than mine was to hers.

'Then I felt it. She was still shafting me as best she could in that position with a couple of fingers, but that warm slippery thing sliding between my lips wasn't a finger – she was keeping her promise and licking me. It was fantas-

tic. When you sixty-nine with a man, you've always got to keep a grip on him in case he gets carried away – and in my limited experience, he usually gets carried away long before the girl does. For once, Chris wasn't demanding any attention at all – she was getting her kicks out of giving me pleasure.

That didn't stop me biting the inside of her thighs though, and we settled down to a mutual licking session.

Over the next few months we taught ourselves some interesting variations, and then we both found new boyfriends and sort of drifted apart. I haven't seen her for years, and I haven't had any other experiences with women even though my husband has hinted at threesomes. I told him I couldn't possibly do anything like that! ●

WELL STACKED

I was totally and utterly boracic lint Penniless. Out of funds. In the red Skint. And you know what happens when you're in that position, don't you? The clutch goes on your one careful owner collector's car. Yes, it really had a rare owner – the first one, in 1964. The other nine treated it like shit. Collector's car? Course it was. If the dustmen could have fitted in the car they would have collected it without a second thought.

I jacked it up and put bricks at each corner to make sure it didn't bend in the middle and lay underneath for a while staring in disgust at the sodding great lump of metal which had to be removed in order to fix it. It didn't look very promising – mainly because I didn't know where to start. What I needed was a workshop manual, but workshop manuals cost money. No, they didn't. Sometimes I'm blinded by my own brilliance. I changed into my respectable jeans (the ones with two almost complete legs) and made tracks for the local library. I had to ask directions, because I hadn't been there since I was twelve and even then I was

only hiding from my probation officer

The old place was almost empty. Not really surprising. There was a dog track just up the road, a football stadium not far away, and betting shops on the corners that didn't have pubs. Who needed a library? I did. And a workshop manual for my heap of bad dreams. I couldn't find one and there didn't seem to be anybody to ask. I wandered around, finally ending up outside the reference section. The door was open, but there was nobody in there either. Correction. There was somebody – unless the bookworms had high, squeaky voices. I poked my head around the door and very nearly let out a high squeak myself.

I couldn't remember being run over by a lorry on the way, so I wasn't in heaven, and if I *had* been run over I wouldn't be in heaven anyway. Nor was I dreaming. There really was a woman up a ladder struggling to rearrange some heavy old books on the top shelf. She squeaked again as one of them nearly fell on her head, and hoisted her skirt further up her thighs and her feet further up the ladder.

My art teacher thought I had a bit of promise in that direction and I very nearly did become a painter when I left school, but being a bum required less effort than slapping emulsion paint on ceilings. Now and then this long forgotten talent raised its weary head and I found myself looking at the librarian through the eyes of an artist rather than a man.

The angle of her shoulder as her arm stretched out. The gentle swell of a taut breast beneath a crisp white blouse. The contours of her tensed calf muscles. The delightful dimples at the back of her knees. The golden sun shining through the window and glinting on her black stockings. The narrow band of pale flesh swelling out from the top of one of them.

Maybe I could creep up on her and find out what colour knickers she had on. . . .

I didn't have to creep up on her. She fell off the bleedin' ladder. No, not quite true. What happened was that she stretched out a bit too far and the ladder sort of fell out from under her. Not all the way. Just enough to leave her with one foot balanced on its top step and the toe of the other one hanging onto a bookshelf for dear life. There was at least a yard between those feet. Maybe even a metre, whatever that is. "That's stretching it a bit," I observed.

"Help!" She squeaked.

That woman did an awful lot of squeaking. Not having anything better to do myself I wandered over to her. Since she had her face pressed very firmly against the collected minutes of the Parish Council meetings from 1886 to 1899 I felt obliged to have a quick squirt up her skirt. Her knickers were white, like her blouse. The blouse needless to say, didn't have dark curls peeping out on either side of it. Pity I

didn't have a torch with me.

"Right first time, I said. 'help is exactly what I need. Could you tell me where I can find a workshop manual for . . .'"

I double checked the colour of her knickers as I spoke.

"Workshop manual?" She spluttered, apparently annoyed about something. "What kind of and idiot are you?"

"Not the kind who gets stuck in that position," I said. "Do you realise I can see your knickers?"

"Waaah!"

"I'm not surprised you're ashamed of yourself. You could get quite a reputation doing things like that. Shall we start negotiating, or do you want to hold on a bit longer and hope somebody else comes along?"

"Negotiate?" She gasped. "What about?"

"Well," I moved around so she could focus one eye on me, the other one being unavailable for comment unless she moved her head. Which she couldn't do. "As you can see, I'm a good looking bloke. . . . You do agree I'm a good looking bloke, don't you?"

. . . the golden sun glinting on her black stockings and the narrow band of pale flesh swelling out from the top of one of them. . . maybe I could creep up on her and find out what colour knickers she had on. . .

"Best looking. . . . bloke I've ever seen from up here all day," she said, humouring me.

"Good. That's settled then."

"What's settled?"

"I'll get you down in exchange for a fuck."

"You. . . I. . . What?"

"A fuck. You know what that is, don't you?"

Maybe she didn't. I mean, she was educated, wasn't she? Probably had an O level in something. Not 'climbing adders', that was for sure. I tried to think of what it's called by the Upper Classes.

"Sexual intercourse. Bunkies. Hide the sausage."

"I know what it means," she snarled.

"Okay I agree."

"Do I look as if I'm two slices short of a loaf? You don't mean it, do you?"

"Yes!" She squealed. "I do. Honestly."

"Maybe we should do it by stages. . . ."

"Stages?"

"I put your left foot further onto the shelf and have a quick feel up your skirt. Then I straighten the ladder and . . ."

"Pervert!"

I consulted a dictionary.

"It says here that a pervert has a preference for a form of sexual activity other than normal intercourse. How can I be a pervert if I want normal inter-

course with you?"

"It was. . . a fuck a moment ago."

"Hello, what did that little shiver mean? Surely not. . . no, she was just getting tired. Still, it was worth a try."

"It still is a fuck. Looking up your skirt has made my prick stand to attention."

She shivered again. Bimey, talking dirty turned her on!

"It sounds more like blackmail than negotiation," she said at last. "I've got a few conditions of my own."

"I'm open to offers. . . ."

I was, too. I didn't want her to think I was forcing her into anything – especially when I really wanted to force *me* into something.

"Lock the door first."

"Done," I panted seventeen and a half seconds later. "What else?"

"I want to see what I'm getting."

"You what?"

"I want to see your . . ."

"Cock?"

"Prick."

That was worth two shivers. I got it out and it pointed itself straight up at her.

"Oh god," she mumbled.

"Yes, impressive, isn't it?"

"Not particularly. No, don't put it away. I'm not going to be the only one in a compromising position."

Compromising Position, eh? That was a new one on me, but I'm game for anything. Even the Missionary Position.

"What else?"

"Nothing. Just hurry up and move my foot – I'm getting cramp."

"You know what I'm going to do when I've moved your foot, don't you?"

"I've got a good idea. Get on with it, for heaven's sake."

I carefully moved her foot further onto the shelf.

"Ready?"

She nodded cautiously. I slid my hand lovingly up her nylon clad leg, watching her muscles tense as I got closer to bare flesh.

"Stop!"

Stop? I'd only just reached her stockingtop!

"For fuck's sake," I complained.

She shivered again.

Ali right. Just a little further. But not as far as my. . . .

"Cunt? Fair enough."

The shiver hadn't quite finished when I felt skin. Her thighs weren't as soft as I expected. Quite muscular, really.

"That's. . . enough," She gulped.

Sod it. I'd almost touched hair. I hurriedly straightened the ladder. Interesting. Her thighs were a bit softer now they weren't under so much strain.

"Say something," she gasped.

"You've got a lovely arse," I told her, cupping a cheek and giving it an experimental squeeze. I'm not sure whether 'arse' was dirty enough to make her shiver, but she shivered anyway. Well, her bum did, but it had two hands on it now so it wasn't surprising.

"Haven't you. . . forgotten something?"

"I'll get to your cunt in a minute."

"I... didn't mean that," she shivered. "Weren't you supposed to be doing something for me?"

"You mean *this* isn't doing anything for you?"

I drew a fingertip down the crease of her arse

"Yes — it's making me tremble. You don't want me to fall on your head, do you?"

I thought about that. It would require very careful timing. . . I moved the ladder half an inch closer to the shelves

"Is that all?" She complained. "What do you expect for that?"

"I thought I might slip a finger under the elastic of your knickers and see what your quim feels like at full stretch."

"If you don't hurry up, you'll be at full stretch yourself with me on top of you!"

"Terrific! Was that the Compromising Position you mentioned?"

She didn't answer. She shivered, but she didn't answer. She shivered again when I did what I'd only said I thought I might do.

Her panties were as tight as a second skin, but there was enough room to slip a finger or two under the edge. Or three. Or maybe. .

"Have you got your entire hand inside my pants?"

I looked to make sure. No, there was still a thumb to go.

"Now I have."

Funny that. Sometimes I think my thumb has a mind of its own. All my other fingers were behaving like perfect gentlemen and pressing quietly upwards on her hairy mound. My thumb seemed to be hiding somewhere. Somewhere very warm and slippery and surprisingly tight for such a well built, mature woman. Not all that surprising when you remember the position she had got herself in, on second thoughts. . . .

"What's that?" She gasped

"Your magnificent minge"

"What's. . . what's that wriggling inside it?"

"Hang on, I'll have a look. Well I'll be damned! It looks like a thumb!"

"It feels like one, too. Is that the best you can do?"

"Of course not. There's seven inches of red hot dong waiting down here for you, but I'm still not sure you're not going to belt me round the kisser and sound the firebell!"

"Seven inches?"

"All right, I was being modest."

"It didn't look like seven inches when you showed it to me!"

"But that was before your ravishing cunt gave me inspiration. At this rate I might make eight inches"

I'd managed to ease aside the damn nylon, and I found her upper slit with my middle finger

"Oooh," she said "I think I'm coming. . ."

"That was quick," I observed

"... off the ladder," she finished

"Not yet!" I screamed "I'm not. . ."

She came off the ladder. And off the shelf at the same time. I went down on

. . . I felt obliged to have a quick squint up her skirt. Her knickers were white like her blouse — though needless to say her blouse didn't have dark curls peeping out on either side of it

my knees and up against a desk

"... ready," I groaned wondering whether I'd need a truss for the rest of my life. The last time I had a weight like that on my shoulder it was a hod full of bricks. And I'd never had a foot on my prick before. Not one wearing a shoe, anyway

"I think you've broken my thumb," I said calmly

"Can't you move it?"

"I can't move *anything*," I whimpered.

"Really? Oh dear, what a pity! I was just getting comfortable on your shoulder, too! Would you like to start negotiating or. . . No, forget it. This is quite nice"

She wiggled her bum. I'm not sure whether I mentioned it, but her bum was on my shoulder. Between her bum and her shoulder was my hand. In a very unnatural attitude

"Fucking hell!" I screamed

"Oh, I love it when you talk dirty to me. . ."

"Don't start shivering, for fuck's sake!"

"I can't. . . oooh, help it. The way you talk just does something to me."

"From now on I won't say a f. . . a word"

"I think you should. You know. Why don't you tell me what a lovely juicy cunt I have and how much you'd like me to turn around so that you can lick it for me?"

"Please," I begged

"Tell me." She wiggled again. The wiggles were even more painful than the shivers. I told her what a lovely juicy cunt she had and how much I'd like her to turn around so I could lick it for her. Luckily, it was impossible. .

"Mmmph!"

"Did you say something?"

"I can't breathe," I gulped.

"Lick," she ordered, locking what I now suspected to be a pair of lady wrestler's legs around my neck and pulling her panties to one side

"Pervert!"

My voice sounded muffled even to me. But at least the feeling was returning to my freed hand, and I found I could even move my thumb very slightly. The other hand was the one I was worried about now. It was flat on the floor with a stiletto heel pressing down on it.

"Not at all. I regard cunnilingus as a perfectly normal sexual activity, and certainly don't restrict myself to that. I'm rather fond of being spanked, for example. I'll pull my skirt up, and you should just about be able to manage it with one hand. . . Not bad. A little harder, maybe and don't stop licking, will you?"

It was probably no more than ten minutes, but it seemed like ten hours. Her thighs gripped my neck even tighter in a sudden spasm and then relaxed slightly. A few more spasms and she was falling again — onto the floor this time. While she lay on her back shuddering I checked to see whether everything worked. Then I crawled painfully over to her and sat on her. Very few women can lift twelve stone. . .

"Suck," I ordered

"Couldn't we negotiate?"

"When we're even."

"Even?"

"When I've come in *your* mouth."

"This could go on forever," she giggled, poking her tongue out and giving my dome a playful stab

Forever? Maybe. Six months so far. No, not all in the library. Some of it at my place, some of it at hers. I even spent some of it under my one owner collector's car while she read to me from a workshop manual

The only trouble with that was I could see right up her skirt from there, and she will keep wearing those black stockings

The next day I arranged for the heap to be collected by the local scrapyard. It committed hara-kin by falling off the bricks while we were in the back seat. . .

Hi, my name is Sarah. My fantasy is to have my pics published in *Escort* for all to see. When my boyfriend swaps mags with his mates some of which are mine too they will be able to get a good look at my body.

My main sexual fantasy is to ride bare-back, and naked on a white horse along a sunny deserted beach, to meet the love of my dreams, and to make raging love at the edge of the sand, with the sea lapping over us.

Me and my boyfriend are avid readers of *Escort* and must say that thanks to you it is keeping our sex life alive and exciting.

Bare cheek

I would like to tell you what happened when my wife and I ended up at a nudist beach on holiday. My wife was used to going topless on a beach and after a bit of persuasion she took off her bikini bottom. The sight of her lying there naked for everyone to see soon had me feeling randy. As the holiday went on she got a bit more daring and began to part her legs to give some passing men a better look at her cunt. Also she had no hesitation in standing up and bending over to straighten out her towel, so that they would get a rear view of her cunt. (Needless to say I had to lie on my front most of the time for obvious reasons.) When we got back to the hotel we were both feeling so randy that we ended up screwing on the balcony. We have since spent many nights fantasising about this.

I hope you can find space in your excellent mag to print her pic as my wife would like the thought of your readers also seeing her cunt. B.C., London

Sylvia

I am writing to you in praise of my girlfriend, Sylvia, who I am absolutely crazy about. She is 34 years old, very, very sexy, and measures 36-25-36. She has sultry half-Italian looks, and likes to tease. We have a great sex life, and several memorable occasions spring to mind. On holiday in Majorca, Sylvia was wearing a light summer dress on the

pool. I pulled her knickers aside and slid my hot pulsating prick into her, long and slow at first, until the rhythm became faster and I erupted inside her wet, hot pussy. She loves it doggy style.

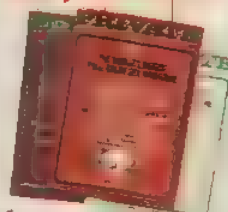

She likes it like that as she is washing the dishes. Sometimes I'll sink down onto the floor, then I pull her knickers down, if she is

MY SEX UAL FANTASY

Pushing open the front door of the small suburban house, the tall, dark woman in her late thirties deposits several shopping bags in the kitchen doorway and sighs.

Then she sheds her coat and, as she goes to hang it up, hears a soft giggle from the lounge. She pauses, frowning, and the giggle comes again, louder.

'Stephen?' she calls. 'Haven't you finished yet?'

She opens the lounge door.

A lean, grey-haired man in his early forties looks up in surprise from where he is crouched beside the french windows, focusing a camera on a large sofa.

Leaning back in the sofa, grinning at him, her legs splayed, is a girl, eighteen or nineteen, blonde, full-breasted and extremely attractive. She is, as so quite nude.

Her face drops as she sees the older woman and she instantly clasps her legs together.

'Oh hello, Mrs Rogers,' she beams. 'How are you?'

'I'm fine, Sandra. The older woman's smile is fragile. She turns to the man. 'I thought you'd be finished hours ago, darling.'

He rises hesitantly. 'I just took on ger love. There's not much left to do.'

'Would you like a cup of tea, Mrs Rogers?' the blonde girl asks brightly, getting up. 'You, Mr Rogers?' 'I get it.'

As the girl starts across the room, the older woman says, 'Don't you think you ought to put some knickers on, Sandra? We can be overlooked at the back here.'

The girl laughs as brightly, her smile impish. 'How silly and funny, once you've got your clothes off, you somehow forget all about them.'

Snatching up a pair of discarded pants, she prances out.

'I'll bet you don't forget,' the older woman says to her husband, eyes narrowing. She hurries on in a loud whisper. 'What on earth are you doing, Stephen? I thought you were just helping Sandra with some bikini pictures for her model card. One or two topless pic-

tures at the most. I walk in and you're taking photos of what she had for breakfast. It's obscene! What if her parents find out?

The man colours. 'I'm only doing what she wanted. love. Apparently nobody thinks twice about nude modelling these days - they all do it, especially when they start out. And anyway

He brides' - it was you and Sandra's mother who insisted I did this. I am only an amateur, after all.

His wife grunts, only slightly mollified.

Well, I thought Sandra was a bit of a show-off, but striding around in the altogether - You might be old enough to be her father but you're still a man - She pauses. 'Look, I promised I'd have a word with Marjorie next door this morning. I'll pop in there for fifteen minutes while you get finished here. Don't you think that's wise?

As the man nods the door opens and the girl re-enters with a tray. She is wearing knickers, but nothing else.

Save it for me, will you, Sandra?' the older woman says, leaving.

In the hallway she opens the front door and slams it again. Then she tiptoes back to the kitchen and carefully cracks open the serving hatch into the lounge.

Ooh, that's better,' she hears the girl say. 'Those knickers really itch now. I don't think I'll ever wear clothes again.'

Sandra, the man says, uncertainly. 'I think we've got enough nude shots now. Don't you think you ought to get dressed?

The girl giggles.

What's the matter, Steve? I'm not getting you all hot and bothered, am I?

The man sighs. 'I'm really not too sure about some of these pictures. Sandra, I mean, don't you think they're just a bit rude?

The girl laughs. 'I am turning you on! That's lovely!'

Sandra -

Oh don't be such a fusspot! Just a couple more - go on, I'll be especially sexy.' There's a pause. Will you touch me there again?

I don't think I should -

Oh come on, just to get me in the mood -

I really think -

You touch Mrs Rogers there, don't you? So it's not because you don't like it. I bet she likes it. Here, give me your hand - you don't have to do anything -

Sandra - There is a silence followed by a soft grunt, then a drawn sigh.

'Oh that's beautiful. Oh yes. Stroke me there. Not too hard. Oh you make me feel lovely - I'm so wet -'

The older woman edges the hatch further open.

Through the crack she sees the girl on the sofa, leaning back, her knees drawn up, her eyes half closed in a look of intense pleasure. The man kneels, red-faced, between her open legs. The edge of the sofa hides the movement of his hand in her lap.

You've no idea how turned on this

makes me, the girl breathes.

She reaches down. 'You can put your finger just inside. That's just like doing it.'

Sandra, the man breathes. 'I'm not here just to give you a climax -'

Oh you can come too - 'The girl looks at him bright-eyed. 'You mustn't get all frustrated. Do you want me to hold you? You can do it in my mouth if you like - my boyfriend loves that. But what I'd really like

She grins at him as he leans back. 'I've never done it with an older man. And I've always fancied you.' She licks her plump lower lip and bends toward him, her look calculating. 'Come on, Steve. Don't be mean. My boyfriend wouldn't mind. He lets me do it with whoever I want. I did it with one of his friends once in front of him so he could watch. That was so naughty! Don't you think that was naughty?

The man is motionless, his mouth hanging open. The girl's cheeky grin broadens. She reaches down to the front of his trousers and begins to unbuckle them.

You don't mind me helping, do you? My boyfriend loves me to

There is a soft purring sound. The man grunts and looks down, bemused. The girl has opened the front of his trousers. She chuckles at the sight of a large tented shape in his pants.

You don't mind me touching you like this, do you?' she asks, and when he says nothing prises open the top of his pants and slides her hand inside. The man shudders as the material slips back from a broad, red-capped erection.

The girl frowns. 'You don't think I'm crude, do you? That's it - you think I'm just a dirty girl -'

No - 'the man sighs. 'I don't - I think

25p Wednesday August 17th

**ON SALE: WEDNESDAY, AUG. 17th
AND EVERY WEDNESDAY!!!**

you're gorgeous - ' The girl's face brightens. 'Do you! I always thought you might. From the way you looked at me. Especially when I didn't wear a bra under my tee-shirt. She chuckles. 'You know when you clean your car Sunday mornings? I used to take my bra off and come out in the front garden deliberately. I always knew when you were looking. You like b g boobs, don't you?'

Her large eyes drop to the man's crotch. She gently strokes his erection. When he shudders, she looks up at his face.

'You can do it over my boobs, if you like. My boyfriend's best mate loves that. I think he likes it better than the real thing! He does absolute gallons of spunk. It goes everywhere. I always need a shower afterwards.'

The man's cock jerks involuntarily almost pulling from the girl's hand, making her gasp. She laughs brightly. 'God! I thought you were going to do it all over me then! You can if you want - I wouldn't mind...'. Her eyes grow sly. 'But I'd really like you to do it inside me - ' Her voice softens as she strokes the man's penis. 'You wouldn't mind, would you, Steve...?'

'For god's sake - '

The man lurches forward, falling over the girl as her eyes widen. Instantly he

"I've never done it with an older man - and I fancy you."

She licks her lower lip and bends towards him...

is stumbling to his knees between her thighs, his arms closing round her rib cage. She gasps, then grins as his hands scoop her bare breasts, cupping, squeezing, fondling their firm fullness -

Sandra - he hisses, and his lips close over her stiff nipples. She purrs softly, leaning back in the chair, reaching down to pull his shirt up his back. Then as he paws her more frantically, she straightens again, reaching down between their bodies searching for his erection.

'It's alright, Steve,' she whispers, 'I'm turned on enough - you can put it straight in me - I'm on the pill too - '

She starts as he pulls back suddenly, grasping her beneath each thigh. Then she looks down where his cock rises thickly against the gingery hair at her crotch. She smiles. 'Shall I put it in? I'd like that.'

She takes hold of him again, pushing him down as he leans back. Concentrating, she raises herself off the armchair, and his tip finds her opening.

As she gasps, he pushes forward, easing between her pussy lips. She gasps again, dropping back into the chair as he rises on tiptoe, pushing deeper and deeper.

'Christ - ' he grunts. 'You're tight - Oh Steve - ' the girl gasps. 'I can feel you all the way up - ' Then she grunts loudly as he begins to hump, forcing her back into the chair. Its springs creak as his thrusts grow more rhythmic, more urgent, his panting breath louder.

'Steve!' she hisses suddenly. 'Oh Steve - it's wonderful - it's fantastic - '

The man thrusts deep and groans. 'Oh yes!' the girl gasps, lifting her legs, clasp them round his back, urging him deeper.

Then she grunts deeply, once, twice, three times, in time with the spasms of his spurting cock. While behind the serving hatch, the tall, dark woman dips her head against the wall, stifling her own gasps. Her fingers still thrust beneath her skirt, deep in the damp folds of her pussy.

My great regret in life is that I never had the courage to be a sex-mad nymphet,' writes 'fortyish' Maureen from Merseyside, who contributed the above. But I can make up for a lot in my dreams! I've also got a weird craving to see how my hubby would perform with someone else. Guess which bit he likes best.

An old boyfriend set a fantasy in train for 31-year-old Lisa from Newcastle.

He was the sexiest man I've ever been involved with, she remembers, 'but a complete sod. He had at least two other girls while I was going out with him, but he was so nice in bed I put up with it.'

He used to say there were "love fucks" and "sex fucks." A love fuck was what he did with a person he was in love with. But a sex fuck was just an appetite thing like having a snack between meals. He could do it with anyone who took his fancy, and neither of them would take it any more seriously than that.

'I always thought it was really unfair that a woman couldn't behave like that. But in my fantasies I can!'

'I imagine I go down to the supermarket on a Saturday with my husband and kids. It's a hot day, so I'm only wearing a tee-shirt and my short denim skirt. But it's all terribly average and boring.'

'Then, by the cold meat counter, I become aware of this fellow looking at my legs. At first I'm a bit annoyed and ignore him. But as I move on to other counters, I notice he's following, and take my first glance at him. To my surprise he's really quite dishy. Tall, lean, about 25 with dark, slicked back hair, and dark blue eyes.'

'He smiles as he sees me look, and I turn away. But when I turn back he's still smiling, and his eyes sweep very obviously - and appreciatively - up and down my body.'

'I feel an instant twinge of embar-

rassment and excitement and I can't help grinning. He can't make it more obvious what he wants. So this time I give him a sweeping look, finishing on the solid-looking and substantial bulge of his crotch. The look he gives me makes my heart pound.

"I go up to my hubby, hand him the shopping list and tell them there's someone I have to see for a few minutes. He frowns, not having noticed the dark fellow, so I nod towards him.

"Oh," says hubby, obviously not wildly happy, but understanding. "Well, don't be too long." Thanks, love," I say kissing him on the cheek.

I move down the aisle to the dark guy sidling up against him. He looks at me, delighted and a little surprised. "Hi," he says and nods towards hubby and the kids. "Aren't they yours?" I shrug, brushing my hip against his.

"Not for the next fifteen minutes." He grins and his hand snakes down to stroke my bum. "Not here," I say, pulling away.

He nods and we walk quickly through the check-out and round to the car park at the back. There's a loading area, which is out of public sight. One of the supermarket employees is unpacking something at the far end but we ignore him.

"I grab the dark fellow's arm, pulling him to a halt against a rough brick wall. "This'll do," I tell him.

He grins, and suddenly we're clutching each other, kissing deeply, his tongue worming into my mouth. As the kiss goes on, I squirm my leg between his, bringing my knee up against his crotch. I take a deep breath as I feel something stir. At the same time his hands come up beneath my boobs, squeezing and fondling them through my tee-shirt.

"Then we break apart. Without waiting, I reach up and unclip my bra, pulling it down inside my tee-shirt. The fellow's eyes widen as I lift the cotton off my bared boobs. "Like them?" I grin. Then I gasp as his mouth comes down on them, kissing and licking and sucking, plucking my stiffening nipples between his teeth. I grin, reach down and scoop the swelling in his crotch, making him start. "Why don't you show me what you're like?" I purr.

"There's no contest! Suddenly he's tearing at the belt of his jeans, yanking the zip down. Grinning, I reach up under my skirt, find the edge of my pants and wriggle them down.

His jeans slip over his hips and his erection pushes out his Y-fronts like a prow of a ship. Swallowing, I pull back the elastic and pluck him out. He's thick and not too long with a lovely fat round knob — just the way I like them!

He shudders as I tug gently at his foreskin. Then his hands are sliding under my skirt, scooping the cheeks of my bum. One hand creeps round onto my mound, his fingers sifting down through my pubic hair onto my pussy. I gasp as he finds my clit.

"You're soaking," he mutters. "Of

course," I breathe slowly pumping his cock as I feel his fingers explore my slit. "I haven't got time to waste." I kiss his cheek. "You're later than me, you're going to have to fuck me from behind."

His breath sucks in. I pull away, turning my back to him as I lean against the brick wall. I pull my denim skirt up off my bottom, open my legs and stick out my arse. "OK?" I ask, looking back. His hands cup my bum cheeks and begin to caress them.

He takes a deep breath. Then his bare thighs touch against the backs of mine, something brushes between my thighs. I look down and see his knob poking out of his fist. He brings it up and I gasp as its boated warmth pushes against my pussy. I reach down to help him guide it between my labia, and then he is in me, sinking

He pulls back, and grasps her beneath each thigh.

"Shall I put it in?" she says smiling, "I'd like that..."

down then rising to get the right angle as his cock slides into my vagina.

Then he is all in, and, before I have my breath back, he pulls back and thrusts again. He begins to fuck me with a fierce driving rhythm, lifting me off my heels and almost slamming me against the rough wall.

And, seconds before my climax, become aware of someone looming to one side. I think it's the supermarket man, but when I glance, bleary-eyed that way, it's my hubby. "Are you going to be long?" he says. "You've been half an hour already." "No love," I gasp.

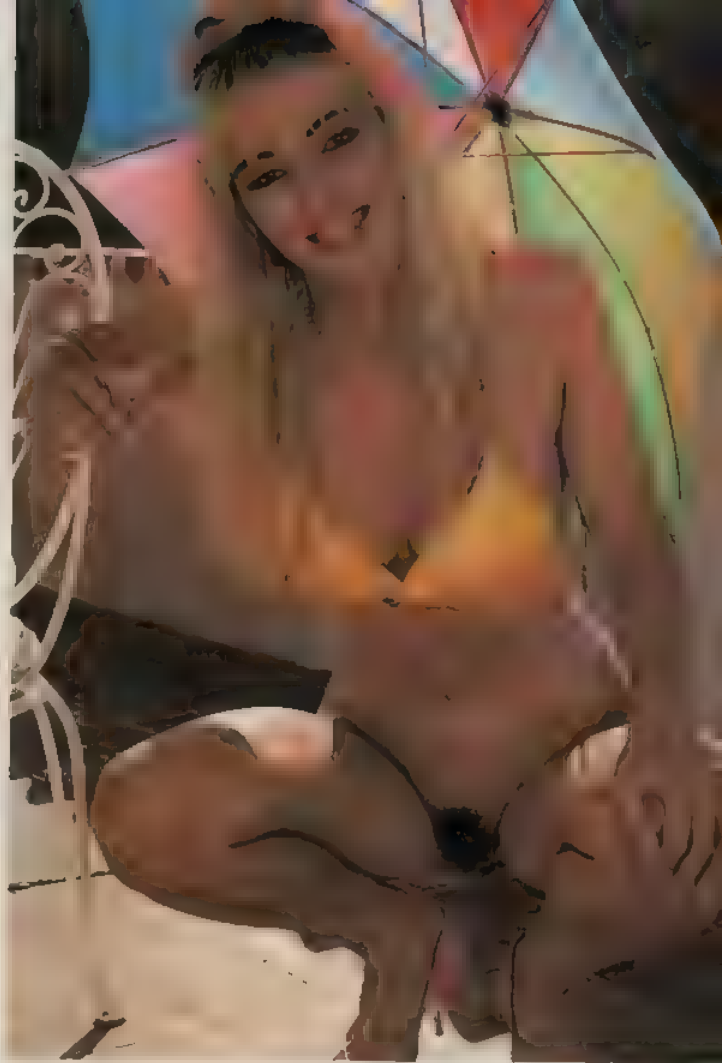

"I'm almost there — one more minute — and — god — I

"My climax catches me unawares. As it tears through me, I hear the dark fellow groan and let fly, and I am suddenly slumped against the brick wall, breathless and exhausted and gloriously satisfied. And the dark guy is panting beside me. "Can I see you again?" he asks. "Sorry love," I tell him. "But it was fun while it lasted." And I kiss him on the cheek and let my hubby lead me back to the shopping. ●

wearing any, lick, suck and kiss her pussy until I can taste her delicious love juices flowing from her cunt. Then I stand and I lift her skirt right up to her waist and sink my prick into her pussy. Fuck her as I hold onto her buttocks from behind, as people carry on walking by at the back of the house.

She often gets her own back, usually when I am driving and before I know it there's a hand inside my trousers.

Since our holiday in Majorca we managed to

photograph Sylvia nude in all sorts of positions and in all sorts of sexy clothes. These photo sessions have been highly sexed and I suppose I tease her until I know she is just begging to be fucked silly.

We both fantasise as we are fucking each other. Often when we have shifted into a '69 position, I'll stop licking her pussy out for a moment and will reach out for her big vibrator I bought her for when I have to work nights. As she has got my cock deep inside her lovely mouth, her lips sliding up and down its shaft, I push her vibrator deep into her pussy. I then roll her onto her back and kneel between her legs. She often carries on rubbing her breasts squeezing her nipples and playing teasing her clit. I ease forward until my cock is nudging her pussy lips apart. Its large bulbous purple head sinking deep into her soaking hot cunt. I carry on kneeling, thrusting my prick in and out of her gaping pussy, leaning forward to rub and fondle her tits. As I stroke her she sometimes grasps my hand and sucks on my fingers and I think that she's fantasising having two men at the same time.

I'm so proud of her and I want her to know it when she reads this. I am lucky to have her. *DB Notts*

Sue and Debbie

I would like to tell you about an experience I had a couple of years ago.

Me and my girlfriend, Sue were going to a country pub for a drink, Sue said she had to go to her friend, Debbie's house to pay her some money. When we got there Debbie said that she was bored and so Sue said that she could come for a drink with us.

When we got to the pub, I went and got some drinks and when I got back to the table, the girls were discussing sex and suggesting a threesome. I was very keen on this idea so we quickly finished our drinks and drove to a quiet country lane.

As soon as I stopped the car, Sue had unzipped my flies and had got my cock out and started sucking it. I reclined my seat, and slid my hand up Debbie's skirt. I pulled down her tights and pants and put my fingers up her cunt. I worked away at her cunt for a few minutes when Sue said that she needed attending to. So I pulled up Sue's skirt to reveal stockings, suspenders and French knickers; the latter me and Debbie removed.

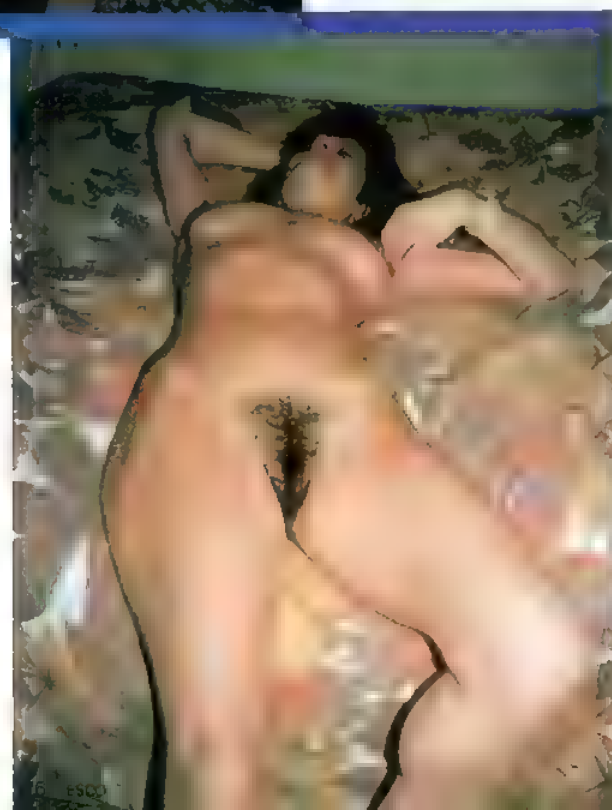

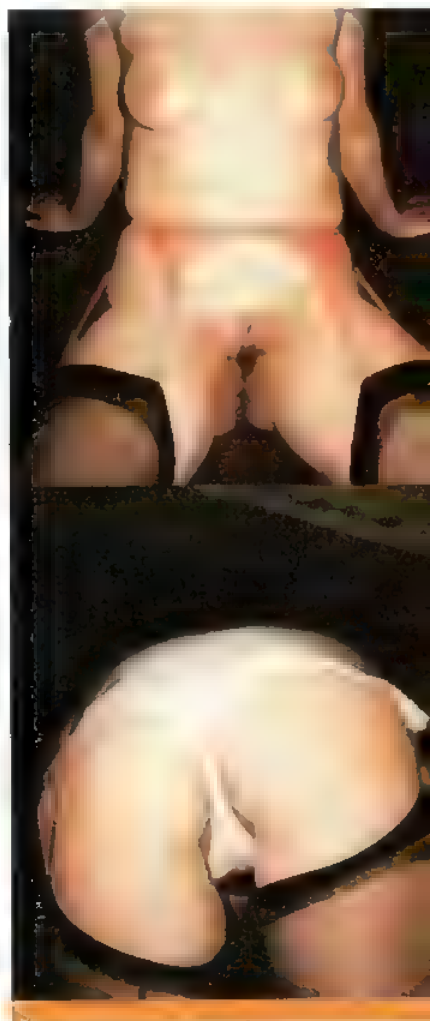

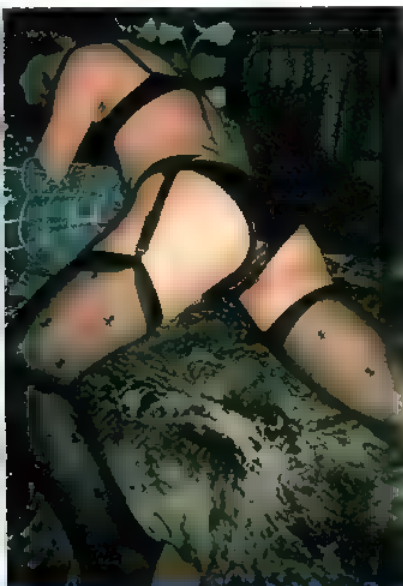

With one girl on either side I lay back and was stripped of my clothes, then they both went to work on my cock sucking and licking until I nearly shot my spunk there and then I then took up a position behind Debbie, and slid my cock right up her cunt. As I was fucking Debbie I looked over her shoulder to notice she was fingering Sue's cunt, and Sue was loving every minute of it. We stayed like this for quite some time, until Sue said she needed a cock so I pulled my cock out of Debbie's cunt, and positioned myself ready to enter Sue, who was on her side with her arse pointing towards me. I pushed my cock right up Sue's cunt and started fucking her hard. Debbie had hold of Sue's tits, and started licking them. In return, Sue put her fingers up Debbie's cunt and started fingering her. By now we were all nearly coming so I fucked Sue as hard as I could until she came then I pulled my cock out and

Debbie wanked me until I shot my spunk over Sue's tits and Debbie's face. Both girls then cleaned each other of spunk and they all so sucked my cock dry.

Sue and I are now married and we have not yet repeated this experience, but you never know! *J Avon*

I have enclosed some pics of my wife, Jane. She is aged 29 years and has a sexy 37-29-39 figure. This is our second attempt at seeing her in your mag. She cannot show her face as she is a WPC. She loves having her cunt sucked, and she likes it when I pinch her nipples. Her fantasy is to be fucked by another couple while I watch.

Please make it 2nd time lucky as if she appears in your pages, she is going to give an accidental flash in uniform while she is on duty to some lucky motorist! *J W Warks*
